L-O-V-E by Milt Gabler and Bert Kaempfert.

L is for the way you look at me

O is for the only one I see

V is very, very extraordinary

E is even more than anyone that you adore can

Love is all that I can give to you

Love is more than just a game for two

Two in love can make it, take my heart and please don't break it

Love was made for me and you

L is for the way you look at me

O is for the only one I see

V is very, very extraordinary

E is even more than anyone that you adore can

Love is all that I can give to you

Love is more than just a game for two

Two in love can make it, take my heart and please don't break it

Love was made for me and you

Love was made for me and you

Love was made for me and you

Cheek to Cheek by Irving Berlin 1935

Heaven, I'm in heaven
And my heart beats so that I can hardly speak
And I seem to find the happiness I seek
When we're out together, dancing cheek to cheek

Yes, heaven, I'm in heaven
And the cares that hung around me through the week
Seems to vanish like a gambler's lucky streak
When we're out together, dancing cheek to cheek

Oh I'd love to climb the mountain
Reach the highest peak
But it doesn't thrill me half as much
As dancing cheek to cheek

Oh, I'd love to go out fishing
In a river or a creek
But I don't enjoy it half as much
As dancing cheek to cheek

Dance with me
I want my arms about you
The charms about you
Will carry me through, yes

Heaven, I'm in heaven
And my heart beats so that I can hardly speak
And I seem to find the happiness I seek
When we're out together, dancing cheek to cheek
When we're out together, dancing cheek to cheek

Dream a Little Dream of Me music by Fabian Andre/Wilbur Schwandt and lyrics by Gus Kahn 1931.

Stars shining bright above you
Night breezes seem to whisper "I love you"
Birds singing in the sycamore tree
Dream a little dream of me
Say "Night-ie night" and kiss me
Just hold me tight and tell me you'll miss me
While I'm alone and blue as can be
Dream a little dream of me
Stars fading but I linger on, dear
Still craving your kiss
I'm longing to linger till dawn, dear
Just saying this
Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me
Stars fading but I linger on, dear
Still craving your kiss
I'm longing to linger till dawn, dear
Just saying this
Sweet dreams till sunbeams find you
Sweet dreams that leave all worries behind you
But in your dreams whatever they be
Dream a little dream of me

I Can't Help Falling in Love With You George David Weiss / Hugo E. Peretti / Luigi Creatore 1961

Wise men say

Only fools rush in

But I can't help falling in love with you

Shall I stay?

Would it be a sin

If I can't help falling in love with you?

Like a river flows

Surely to the sea

Darling, so it goes

Some things are meant to be

Take my hand

Take my whole life too

For I can't help falling in love with you

Like a river flows

Surely to the sea

Darling, so it goes

Some things are meant to be

Take my hand

Take my whole life too

For I can't help falling in love with you

For I can't help falling in love with you

Let Me Call You Sweetheart - Leo Friedman & Beth Slater 1910

Let me call you sweetheart
I'm in love with you
Let me hear you whisper
That you love me too
Keep the love light glowing
In your eyes so blue
Let me call you Sweetheart
I'm in love with you

Bicycle Built for Two by Harry Dacre 1892 (Daisy,mistress of King Edward VI)

Daisy, Daisy
Give me your answer do
I'm half crazy
All for the love of you
It won't be a stylish marriage
I can't afford a carriage
But you'll look sweet
Upon the seat
Of a bicycle built for two

Daisy, Daisy
Give me your answer do
I'm half crazy
All for the love of you
We'll spend all our life together
Regardless of the weather
And you'll look sweet
Upon the seat
Of a bicycle built for two

Daisy, Daisy
Give me your answer do
I'm half crazy
All for the love of you
We'll leave when the ball is over
Get married in the clover
And you'll look sweet
Upon the seat
Of a bicycle built for two
On a bicycle built for two
On a bicycle built for two

Till There Was You by Meredith Wilson 1950 Music Man

There were bells on the hill,
But I never heard them ringing.
No, I never heard them at all,
'Til there was you.

There were birds in the sky,
But I never saw them winging.
No, I never saw them at all,
'Til there was you.

And there was music,
And there were wonderful roses, they tell me,
In sweet fragrant meadows of dawn and dew.
There was love, all around,
But I never heard it singing.
No, I never heard it at all,
'Til there was you.

And there was music,
And there were wonderful roses, they tell me,
In sweet fragrant meadows of dawn and dew.
There was love, all around,
But I never heard it singing.
No, I never heard it at all,
'Til there was you.

Will You Still Love Me Tomorrow by Carol King & Gerry Goffin 1960

Tonight you're mine completely
You give your love so sweetly
Tonight the light of love is in your eyes
But will you love me tomorrow?
Is this a lasting treasure
Or just a moment's pleasure?
Can I believe the magic of your sighs?
Will you still love me tomorrow?
Tonight with words unspoken
You say that I'm the only one
But will my heart be broken
When the night meets the morning sun?
I'd like to know that your love
Is love I can be sure of
So tell me now, and I won't ask again
Will you still love me tomorrow?
So tell me now, and I won't ask again
Will you still love me tomorrow?
Will you still love me tomorrow

It Had to Be You by Gus Kahn / Isham Jones 1924

It had to be you

It had to be you

I wandered around, and I finally found

The somebody who

Could make me be true

And could make me be blue

And even be glad

Just to be sad - thinking of you

Some others I've seen

Might never be mean

Might never be cross, or try to be boss

But they wouldn't do

For nobody else gave me a thrill

With all your faults, I love you still

It had to be you

Wonderful you

It had to be you

For nobody else gave me a thrill

With all your faults, I love you still

It had to be you

Wonderful you

It had to be you

Our Love is Here to Stay by George and Ira Gershwin 1938

It's very clear our love is here to stay.

Not for a year, but ever and a day.

The radio and the telephone.

And the movies that we know.

May just be passing fancies and in time may go.

But, oh my dear, our love is here to stay.

Together were going a long, long way.

In time the rockies may crumble, Gibraltar may tumble, they're only made of clay.

But our love is here to stay.

It's very clear our love is here to stay.

Not for a year, but ever and a day.

The radio and the telephone.

And the movies that we know.

May just be passing fancies and in time may go.

But, oh my dear, our love is here to stay.

Together were going a long, long way.

In time the rockies may crumble, Gibraltar may tumble, they're only made of clay.

But our love is here to stay.

As Time Goes by Herman Hupfeld in 1931 (in Casablanca 1942)

You must remember this
A kiss is just a kiss
A sigh is just a sigh
The fundamental things apply
As time goes by
And when two lovers woo
They still say "I love you"
On that you can rely
No matter what the future brings
As time goes by
Moonlight and love songs
Never out of date
Hearts full of passion
Jealousy and hate
Woman needs man, and man must have his mate
That no one can deny
It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by
Moonlight and love songs
Never out of date
Hearts full of passion
Jealousy and hate
Woman needs man, and man must have his mate
That no one can deny
It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by

My Funny Valentine by Rogers & Hart 1954

My funny valentine

Sweet comic valentine

You make me smile with my heart

Your looks are laughable

Unphotographable

Yet you're my favorite work of art

Is your figure less than Greek?

Is your mouth a little weak?

When you open it to speak

Are you smart?

But don't change your hair for me

Not if you care for me

Stay little valentine stay

Each day is Valentines day

Is your figure less than Greek?

Is your mouth a little weak?

When you open it to speak

Are you smart?

But don't change your hair for me

Not if you care for me

Stay little valentine stay

Each day is Valentines day
